Dear Parents

As you all are aware that in order to facilitate better communication between Parents and School, all information related to school and class is available through **Cyber School Manager (CSM) Mobile App**.

Features of Cyber School Manager (CSM) Mobile App:

- Student Profile
- Student Message Inbox
- School Notifications
- Home Work
- Attendance
- Leave request
- Time Table
- Result and Examination
- Date Sheet
- Online Fee Payment
- Photo Gallery
- Feedback/Suggestion
- **GPS Live Tracking to track the position of your ward's school bus.**

How to install CSM

1. Download Cyber School Manager (CSM) mobile app from Google play store for Android mobile phones or Apple store for iPhones or click here to download <https://bit.ly/2EMdpqc>
2. After download, login the Mobile app by entering Student's Registration number/**Admission number**, Student's Date of Birth in DDMMYYYY format e.g. 1st December 2002 should be entered as 01012002 and your mobile number as per school records.
3. Click on Login Button.
4. Congratulation! You are now ready to use the CSM app.

Regards
