Dear Parents

This is with reference to point number 4 of page number 6 of the School Dairy. This states that each student should take care of his/her personal belongings (stationary, blazers, track suits etc).

The school authority will not accept responsibility for any such item lost in the school.

Name of the student/ Admission no and class should be marked on the personal belongings to facilitate recovery of the lost item in the school premises.

Your support in this regard will be much appreciated.
