Dear Parents

Greetings from Holy Child School.

We would like to inform you that with effect from February 2026, there has been a change in the school leadership. I feel honoured to introduce myself as the new Principal of Holy Child School and look forward to working closely with you, our dedicated teachers and students to further strengthen the school's legacy of values and excellence.

At the outset, I would like to acknowledge and sincerely regret any inconvenience that parents and students may experience due to the ongoing construction and upgradation of the school infrastructure and building.

These developments are being undertaken with a clear vision – **to provide our children with a safer, more modern and enriching learning environment aligned with contemporary educational needs.**

We assure you that all the necessary measures are being taken to ensure the safety, hygiene and smooth functioning of the school during this period. Your patience, co-operation and understanding are deeply appreciated.

As we move forward there are many positive changes and improvements to look forward to. We seek your continued support and trust as we embark on this new phase of growth for Holy Child School.

Thank you for being valued partners in your child's educational journey.

Warm Regards

Dr. Parul Nagpal
Principal
